Dear Superintendents,

We invite you to “Do the Write Thing” (DTWT) this 2020 – 2021 academic year and take an affirmative step towards violence prevention in your middle schools. Allow me to introduce our **Bexar County National Ambassadors, Daniel Ha and Danica Soto** from Bush and Harris Middle Schools.

Please study their faces, especially the proud look of Mrs. Ha, Daniel’s parent. This makes the hard work throughout the year, so worth it. It was a great moment of surprise when we delivered Daniel and Danica their first place awards.

Our program satisfies TEKS mandates for English/Language Arts (including Expository Writing), Social Studies and Health/PE. Lesson plans are provided which have been crafted by educational experts as well.

Our second and third place finalists, one boy and one girl each get awarded and recognized.

Please Join our efforts and “Do the Write Thing”. You and your community will be so glad you did!

Sincerely,
